The project meeting was attended by 8 participants – representatives of RMA "Maritza" (LB) project team – 3 persons, representatives of the project team in Turkey and of Rice Paddy Commission in Merich (PB1) - 5 persons.

During the meeting the participants discussed the progress of the project activities with regards to the forthcoming project closure in June 2018. The Lead Partner RMA "Maritza" presented to Project Partner 2 the developed and filmed video recipes from Haskovo and Merich. The YouTube channel on the project was presented where all video recipes can be viewed including those developed for the smart application „Haskovo & Merich Cooking". The Lead Partner presented the videos on the web platform Virtual Chef – www.virtual-chef.eu. The developed Facebook page for the project was resented where each partner can publish news about the project and news and events in the cross-border region related to traditional cuisine.

The partners archived the developed documents and products in relation to the implemented on 10th May 2018 Festival " Haskovo & Merich Cooking " in Merich, Turkey.

The partners discussed the forthcoming implementation of the final project meeting in Bulgaria and determined it to be held on June 19, 2018.
